

“RECLAIM”

Formulated specifically for recirculating vehicle wash systems. Reclaim contains specific surfactants, wetting agents and detergents that quickly remove dirt and road film leaving vehicles with a high shine. This unique biodegradable detergent creates an abundance of foam on the vehicle's surface then quickly dissipates so as not to affect the mechanical system or equipment.

Applications: Reclaim and recirculating vehicle washes for cars, trucks and equipment.

Directions / Dilutions: Dilute one part Reclaim to 250 parts water. May be diluted differently depending on the temperature, hardness and pressure of water used.

Laboratory Analysis:

Appearance:	Green Liquid
Odour:	None
Flammability:	Non flammable
Solubility:	Excellent
Detergency:	Excellent
Toxicity:	Non toxic

Packaging: 1000 litre tote
205 litre drum
20 litre pail
